Kile Duane Beavin was born on March 21, 1974, at Ft. Campbell Kentucky Army Hospital, and left this world on May 5th, 2021, at the young age of 47 after a sudden illness.

He leaves behind his mother, Rita Chandler Beavin Pence, stepfather, Donnie Pence, stepbrother, Brian Pence, stepsister, Angela Pence Karageorge, along with several other relatives and friends.

Kile was preceded in death by his grandparents, Ivan and Ruby Nelson Chandler, who he dearly loved and thought the world of. They played a very important role in his life. Also, his aunt Shirley Chandler Meeks, whose life was cut too short as well.

Kile enjoyed music, sketching, writing, playing cards, and family and friend get togethers. He will certainly be missed.
